BELIEVE IN YOU
Can you remember a time when you were awakened? What did you become aware of? How did that awakening change you?
BECOME
(Verb)
Grow to be; to turn into.

What is something that you worked hard to become?
What did you sacrifice as a part of your becoming?
What did you gain?
Have you ever experienced a personal transformation?
If you could experience a personal transformation over
the next 4 years, what dramatic changes would occur?
What would you be like in 4 years?
